GENERAL EDUCATION QUALITY IMPROVEMENT PROGRAM FOR EQUITY (GEQIP-E)
PROGRAM FOR RESULTS (P for R)

We have audited the accompanying financial statements of General Education Quality Improvement Program for Equity (GEQIP-E) Program for Results (P for R) of the Federal Democratic Republic of Ethiopia, Ministry of Finance, which comprise the balance sheet as at 7 July 2018, and the statement of sources and uses of funds and the designated account statement for the period from 8 March 2018 to 7 July 2018 and a summary of significant accounting policies and other explanatory information.

Responsibility for the Financial Statements

The Ministry of Finance (MoF) is responsible for the preparation and fair presentation of these financial statements in accordance with the Ethiopian Government’s Manual of the Federal Accounting System which is based on a modified cash basis of accounting and for such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

1. PROGRAM INFORMATION

The objective of the General Education Quality Improvement Program for Equity (GEQIP-E) Program for Results (P for R) is to support Ethiopia’s efforts to increase the quality of general education within its territory through improving teaching and learning conditions in schools as well as enhancing management planning and budget capacity of the Ministry of Education and of the Regional Education Bureaus respectively. In an agreement dated 21 December 2017, under Grant number D262 ET, the International Development Association (IDA) agreed to extend a credit in an amount equivalent to Special Drawing Rights (SDR) variously “credit and financing” to assist in financing the Program which will be supervised through the Ministry of Education with MoF being responsible for overall financial management of the Program.

The program consists of the following activities which form a subset of the ESDP V (Education Sector Development Program) and the successor thereto:

(a) Developing capacity for improved management in General Education by:
   i) Developing a relevant management structure in MoE, with a clear distribution of mandates and responsibilities at all levels and specifically, in managing the implementation of cross-cutting programs;

   ii) Regular gathering, processing and sharing information to inform decision making, especially, education performance data and financial data; and

   iii) Promoting good coordination and communication within and across management levels through improved use of existing documentation centers and sharing platforms.

(b) Improving the quality of General Education by:

   i) Strengthening teachers’ and leaders’ development and transforming teaching into a profession of choice;

   ii) Improving curriculum development and providing sufficient teaching and learning materials;

   iii) Supporting schools to develop and implement School Improvement Plans (519) with focus on the areas of community participation, school environment, teaching and learning and school leadership; and
iv) Strengthening quality assurance systems with focus on school inspection, teacher and school leader licensing and assessment and examination

(c) Improving access, equity and internal efficiency in General Education by:

i) Increasing access to pre-primary education;

ii) Increasing access to, and equity and internal efficiency of primary education; and

iii) Providing special support programs for Emerging Regions.

(d) Providing support to address cross-cutting issues in General Education, specifically in the areas of gender, special needs and inclusive education
