related to acquisition of land and real estate
by entrepreneurs in the Russian Federation**

Statistical templates by procedures

March 2006

**Gathering of statistical information on procedures related to acquisition of land and real estate
by entrepreneurs in the Russian Federation**

LIST OF STATISTICAL TEMPLATES BY PROCEDURES

Number and name of statistical templates	
Procedures related to purchase or lease of <u>land</u>	
Procedure №1:	Lease of a land plot, which is currently federal, oblast or municipal property, for construction with preliminary agreement on the object location
Procedure №2a:	Lease of a land plot, which is currently federal, oblast or municipal property, for construction without preliminary agreement on the object location, during auctions or tenders
Procedure №2b:	Purchase (ownership) of a land plot, which is currently federal, oblast or municipal property, for construction without preliminary agreement on the object location, during auctions or tenders
Procedure №3:	Obtaining ownership rights on land plots, which are currently federal, oblast or municipal property, by owners of premises, buildings or structures located on these land plots (privatization and lease)
Procedure №4:	Transferring a land plot from one category into another (changing designated use of a land plot)
Procedures related to purchase or lease of real estate objects (premises, buildings or structures)	
Procedure №5:	Lease of a real estate object (premise, building or structure), which is currently federal, oblast or municipal property, without the procedure of tender (including purposive assignment cases)
Procedure №6:	Lease of a real estate object (premise, building or structure), which is currently federal, oblast or municipal property, during tenders or auctions
Procedure №7a:	Privatization of a real estate object (building or premise), which is currently federal, oblast or municipal property, without the procedure of tender
Procedure №7b:	Privatization of a real estate object (building or premise), which is currently federal, oblast or municipal property, during tenders (auctions)
Procedure №8:	Transferring a premise (building) from residential use to non-residential use
Procedures related to state registration of rights acquired to land and real estate objects	
Procedure №9a:	State registration of ownership rights in real estate in the case of buying or selling a real estate object (by the category of real estate object)
Procedure №9b:	State registration of rights in real estate in the case of lease agreement (by the category of the real estate object)

Procedure №1: Lease of a land plot, which is currently federal, oblast or municipal property, for construction with preliminary agreement on the object location
