Procurement Plan for ASPIRe Project

I. General

1. Project information:

- Country: India
- Borrower: Republic of India
- Project Name: Assam State Public Finance Institutional Reforms (ASPIRe) Project
- Loan / Credit No.: 
- Project Implementing Agency (PIA), etc.: Assam Society for Comprehensive Financial Management System

2. Bank’s approval Date of the procurement Plan [Original: ………; Revision 1:………..]

3. Date of General Procurement Notice: 13th December 2016

4. Period covered by this procurement plan: First 18 months

II. Goods and Works and non-consulting services

1. Prior Review Threshold: Procurement Decisions subject to Prior Review by the Bank as stated in Appendix 1 to the Guidelines for Procurement.

World Bank review of procurement: The World Bank will prior review (thresholds are based on “Substantial” rating, will be modified if risk rating is changed after assessment by Bank during the project implementation) the following contracts:

a) Works including turnkey Supply & Installation of Plant and Equipment and PPP: All contracts more than US$ 10 million equivalent

b) Goods, Information Technology and Non-consulting Services: All contracts more than US$ 2 million equivalent

First contract issued by implementing agency [IA] will be subject to prior review irrespective of their value. In addition, the justifications for all contracts to be issued on the basis of LIB, single-source or direct contracting will be subject to prior review. The above thresholds are for the initial 18 months implementation period; based on the procurement performance of the project these thresholds may be subsequently modified by Bank. In case of Post Review contracts, the inputs of Bank on Technical Specifications will be obtained by project. The procurement plan will be subsequently updated annually (or at any other time if required) and will reflect any change in prior review thresholds. The World Bank will carry out an annual ex-post procurement review of the procurement falling below the prior review thresholds provided above. To avoid any doubts, the Bank may conduct at any time Independent Procurement Reviews (IPRs) of all
the contracts financed under the loan. Domestic preference is allowed only for Procurement of Goods and Information Technology and not for procurement of Works.

2. **Prequalification.** Pre-qualification is not envisaged for any package under the Project.

3. **Proposed Procedures for CDD Components (as per paragraph. 3.17 of the Guidelines):** Not Applicable

4. **Reference to (if any) Project Implementation Plan:** Project Implementation Plan dated ___________. (to be updated)

5. **Retroactive Financing:** The GoA will be seeking retroactive financing, not exceeding US$ 1 million for technical and US$ 3 million for the EEP, in respect of payments for project-related work made by GoA during project preparation, on or after April 01, 2016.

\[1\] DGS&D rate contracts may be used as framework agreement (FA) subject to the conditions mentioned under NCB conditions.
This includes payments to consultants for various preparatory studies, which inform the design of the information solutions and institutional strengthening, training and exposure visits (under technical assistance part) and EEP incurred prior to loan signing.

6. **NCB Condition:** National competition for the procurement of goods and works according to the established thresholds will be conducted in accordance with paragraphs 3.3 & 3.4 of Section III of the Guidelines and the following provisions:

a) Only the model bidding documents for NCB agreed with the GoI Task Force (and as amended from time to time), shall be used for bidding;

b) Invitations to bid shall be advertised in at least one widely circulated national daily newspaper (or on a widely used website or electronic portal with free national and international access along with an abridged version of the said advertisement published in a widely circulated national daily inter-alia giving the website/electronic portal details from which the details of the invitation to bid can be downloaded), at least 30 days prior to the deadline for the submission of bids;

c) No special preference will be accorded to any bidder either for price or for other terms and conditions when competing with foreign bidders, state-owned enterprises, small-scale enterprises or enterprises from any given State;

d) Except with the prior concurrence of the Bank, there shall be no negotiation of price with the bidders, even with the lowest evaluated bidder;

e) Extension of bid validity shall not be allowed with reference to Contracts subject to Bank prior review without the prior concurrence of the Bank (i) for the first request for extension if it is longer than four weeks; and (ii) for all subsequent requests for extension irrespective of the period (such concurrence will be considered by Bank only in cases of Force Majeure and circumstances beyond the control of the Purchaser/Employer);

f) Re-bidding shall not be carried out with reference to contracts subject to Bank prior review without the prior concurrence of the Bank. The system of rejecting bids outside a pre-determined margin or "bracket" of prices shall not be used in the project;

g) Rate contracts entered into by Directorate General of Supplies and Disposals (DGS&D) will not be acceptable as a substitute for NCB procedures unless agreed with the Bank on case to case basis. Such contracts will be acceptable however for any procurement under the Shopping procedures;

h) Use of DGS&D rate contracts as Framework Agreement must be reflected in the procurement plan agreed by the Bank for particular goods. Before issuing the purchasing order, the Bank will have to advise the government on carrying out a price analysis on the specific good that is intended to be purchased. If after due diligence the borrower concludes [and Bank agrees] that the DGS&D rate contract is not suitable, then the borrower will have to proceed using NCB or shopping depending on the value. To meet the Bank's requirements for right to audit and F&C, these clauses may be included in the
Purchase Orders [in case the purchasers are directly placing the purchase orders to DGS&D rate contract holders]. On the other hand, if indent is placed through DGS&D, the Purchaser has the option to sign a separate undertaking with DGS&D rate contract holder, where Bank’s right to audit and F&C clauses could be mentioned.

Two or three envelope system will not be used (except when using e-procurement system assessed and agreed by the Bank).

7. **Procurement Packages with Methods and Time Schedule as per Table A**
[attached]

III. **Selection of Consultants**

1. **Prior Review Threshold:** Selection decisions subject to Prior Review by Bank as stated in Appendix 1 to the Guidelines Selection and Employment of Consultants:

   a) Consultancy Services for selection of firms: All contracts more than US$ 1.0 million equivalent;

   b) Consultancy services for selection of individuals: All contracts above US$ 0.3 million.

   c) First contract issued by implementing agency [IA] will be subject to prior review irrespective of their value. In addition, the justifications for all contracts to be issued on the basis of single-source or direct contracting will be subject to prior review. The above thresholds are for the initial 18-month implementation period; based on the procurement performance of the project these thresholds may be subsequently modified by Bank. **In case of Post Review contracts, the inputs of Bank on TORs will be obtained by project.** The procurement plan will be subsequently updated annually (or at any other time if required) and will reflect any change in prior review thresholds. The World Bank will carry out an annual ex-post procurement review of the procurement falling below the prior review thresholds provided above. To avoid any doubts, the Bank may conduct at any time Independent Procurement Reviews (IPRs) of all the contracts financed under the loan.
